FILM REVIEW

Jockey COREY NAKATANI's agent Matt Nakatani came to the office this morning to review his ride in the last race Sunday, after which his mount was disqualified for interfering with 3 horses. Video revealed that his mount drifted in at least four paths while striking his mount right handed. Mr. Nakatani's only defense was that the interference was not intentional. We agreed with that assessment but believed it was careless and issued the following ruling:

DFTD Ruling #029

Jockey COREY NAKATANI, who rode BOLD PAPA in the ninth race at Del Mar Race Track on November 19, 2017, is suspended for THREE (3) racing days (November 30, December 1 and 2, 2017) for failure to make the proper effort to maintain a straight course in the stretch causing interference resulting in a disqualification of his mount from first to fifth. This constitutes a violation of California Horse Racing Board rule #1699 (Riding Rule – Careless Riding). Pursuant to California Horse Racing Board rule #1766 (Designated Races), the term of suspension shall not prohibit participation in designated races.

11-23-17³

SHIDAKER RULING

Trainer DUFF SHIDAKER was issued the following when his substitute trainer failed to appear to saddle his horse last Sunday:

DFTD Ruling #028

Trainer DUFF SHIDAKER, who started the horse Julia's Summer in the fifth race at Del Mar Race Track on November 19, 2017 is fined ONE HUNDRED DOLLARS (\$100.00)* for violation of California Horse Racing Board rule #1692 (Requirements for Horse Trainer and Jockey – Failure to Saddle).

11-23-17⁴

OBJECTION/NO CHANGE

Following the running of the third race, jockey RAFAEL BEJARANO (third place finisher #4 Kencumin (IRE)) claimed foul against second place finisher #1 Holiday Stone (ridden by Flavien Prat) for interference in the stretch. Mr. Bejarano claimed that Mr. Prat's mount drifted in and caused him to steady. After viewing the video and speaking with the patrol judges and riders involved, we unanimously voted to make no change to the original order of finish. While Mr. Bejarano's assessment was correct, we did not believe his mount was cost the opportunity at a better placing.

FILM REVIEW

Jockey TYLER BAZE came to the office to review his crop use in the eighth race yesterday. After viewing the video he agreed that he used his crop more than three times in succession without giving his horse the chance to respond. We therefore issued the following:

DFTD Ruling #032

Jockey TYLER BAZE is fined TWO HUNDRED DOLLARS (\$200.00)* for violation of California Horse Racing Board rule #1688(b)(6) (Use of Riding Crop – more than three times in succession without giving the horse a chance to respond – second

offense in the last sixty days), during the eighth race at Del Mar Race Track on November 23, 2017, (last offense November 5, 2017).

Jockey DRAYDEN VANDYKE was represented by jockey MIKE SMITH regarding his crop use in the fourth race yesterday. He used his crop four times in succession, but there was an open question with respect whether he had given his horse the opportunity to respond. Given that it was a close call, we issued a warning, and cautioned him that he needed to wait a little longer.

Jockey MIKE SMITH was in the office to review his crop use from a race two weeks ago. Specifically, we wanted to point out to him that the rules allow contact with the shoulder and hindquarters only, and not the flank. He agreed. Warning.

11-24-17²

BOUZA HEARING

We held an informal hearing with groom LUIS BOUZA this morning which involved several issues. Santa Anita Security, after having an incident or two (running a stop sign and selling a therapeutic blanket in the stable area) with Luis Bouza and discovered that he was improperly licensed. Not only did he hold a groom's license and not work as a groom, but he wasn't validated demonstrating that he was on a trainer's work list. He was removed from the grounds by Security for those reasons, but then was discovered back in the barn area after that removal. He claimed that he had once worked as a hot walker and that he asked a trainer to put him on his work list but the trainer may have failed to do so. After listening to both the CHRB and Mr. Bouza, we reinstated his license (he was suspended when he didn't appear for his last hearing) and took the matter under consideration. Decision to follow.

DFTD Ruling #031

Groom LUIS BOUZA having appeared for a rescheduled hearing is restored to good standing. DFTD Ruling #012 issued at Del Mar Race Track on November 12, 2017 is set aside.

11-24-17³

ELLIS RULING

Pursuant to the formal hearing we held Sunday regarding trainer Ron Ellis' medication violation, we issued the following ruling:

DFTD Ruling #030

Trainer RONALD ELLIS, who started the horse "AWARD IT" which finished tenth in the third race at Del Mar Race Track on August 18, 2017, is fined FIVE HUNDRED DOLLARS (\$500.00)* pursuant to California Horse Racing Board rule # 1887 (Trainer to Insure Condition of Horse) for violation of California Horse Racing Board rule # 1843 (a)(d) (Medication, Drugs and Other Substances) and #1844(F)(13) (Authorized Medication – Triamcinolone Acetonide in excess of permitted level [190 pg/ml]) permitted level 100 pg/ml.

SATURDAY

11-25-17¹

FILM REVIEW

Jockey STEWART ELLIOTT came to the office to review his ride in the eighth race yesterday. His horse broke in at the start and we felt he could have been quicker in correcting that action. He agreed. Warning.

Jockey KYLE FREY was represented by Kent Desormeaux this morning regarding his ride in the first yesterday. Video showed that he angled out at the quarter pole and made contact with the horse to his outside. Mr. Desormeaux argued that there was an opening when he started into it, but it closed too early. We also believed that the horse with whom he made the contact may have stepped in as well. Strong warning.

11-25-17²

DOMINGUEZ HEARING

We held an informal hearing into a complaint filed by the CHRB against exercise rider JOSE LUIS DOMINGUEZ alleging a positive test for methamphetamine. Mr. Dominguez appeared by phone and the CHRB was represented by Investigator Jim Hamilton. In advance of the hearing, Mr. Dominguez contacted the Winners' Foundation and at their direction, entered into a 30 day in house rehabilitation program. He was also in regular contact with the Winners' Foundation. Mr. Dominguez was not permitted at Santa Anita until he submitted a negative test. Ruling to follow.

SUNDAY**11-26-17¹****FILM REVIEW**

Jockey COREY NAKATANI came to the office as directed to review his crop use in the fourth race yesterday. After careful review, the video was somewhat inconclusive. We therefore issued a warning.

Jockey JAVIER CASTELLANO came to the office to explain why he missed two mounts yesterday. His plane was delayed. Our objection to this explanation was that had it been on time, he would have had only 33 minutes to get to the jockeys' room after landing. Warning.
